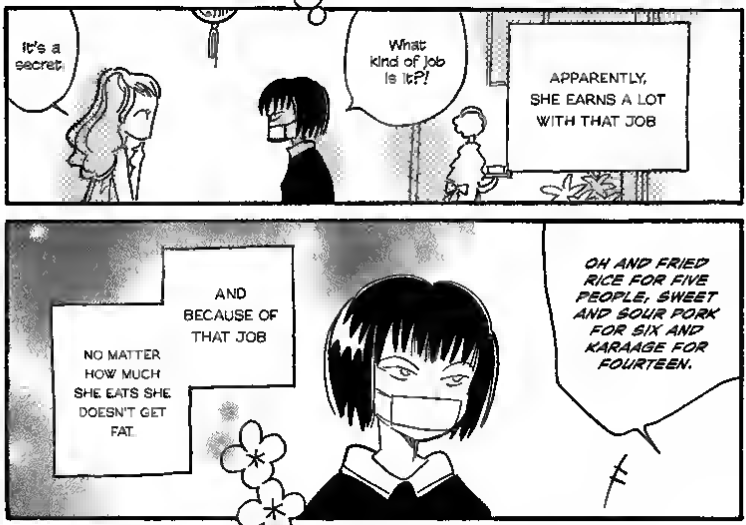
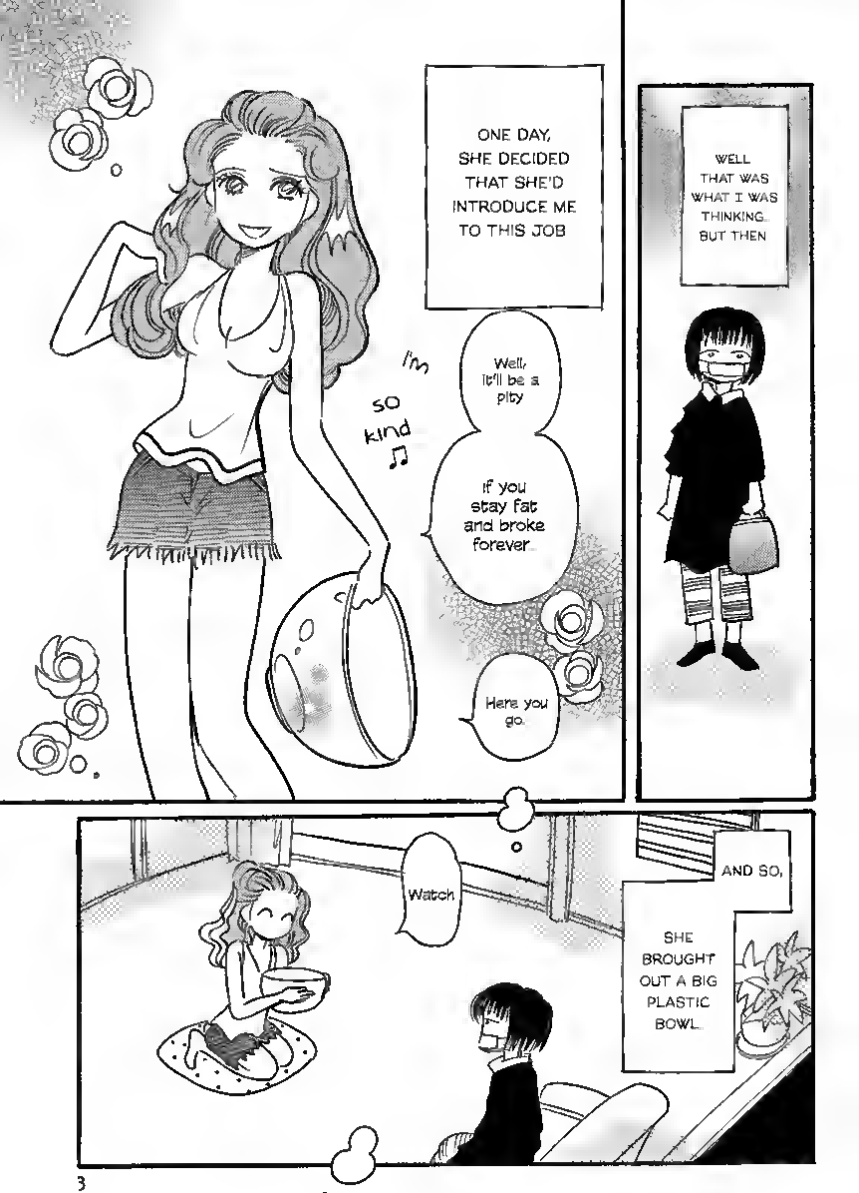
Roe

TONO



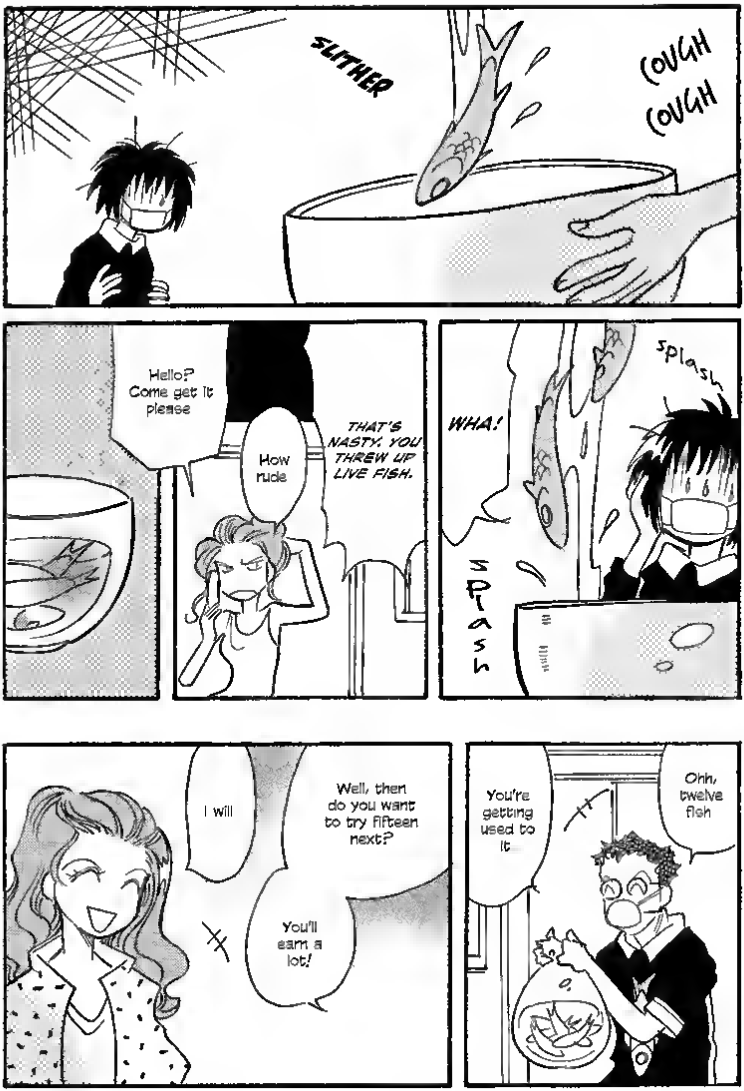
Seven plates of gyoza here
MY FRIEND IS ALWAYS WORKING
It's a secret.
What kind of job is it?!
APPARENTLY, SHE EARNS A LOT WITH THAT JOB
NO MATTER HOW MUCH SHE EATS SHE DOESN'T GET FAT.
AND BECAUSE OF THAT JOB
OH AND FRIED RICE FOR FIVE PEOPLE, SWEET AND SOUR PORK FOR SIX AND KARAAGE FOR FOURTEEN.

You don't have money, nor do you eat delicious food.
You're fat and broke
Here, you stray
meow
You haven't even lost weight.
meow
DON'T BE STUPID. I ONLY ATE ONE BOWL OF RAMEN.
We'll split it
Oh, right
You're still on a diet
YOU'RE A RICH BEAUTIFUL WOMAN WITH A HORRIBLE PERSONALITY AND NO MATTER HOW MUCH YOU EAT YOU NEVER GET FAT
YOU CAN DIE
Ohh, there, there
At this rate you're better off dead.
meow



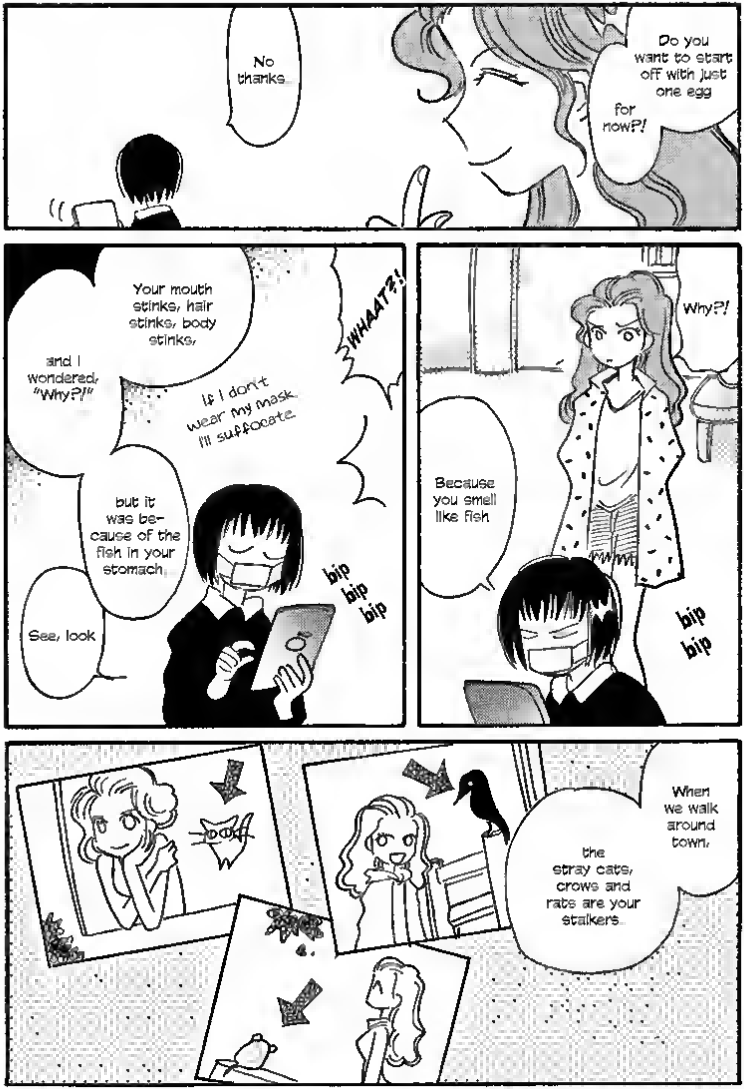
ONE DAY, SHE DECIDED THAT SHE'D INTRODUCE ME TO THIS JOB
I'm so kind ♫
Well, it'll be a pity
if you stay fat and broke forever
Here you go.
WELL THAT WAS WHAT I WAS THINKING... BUT THEN
Watch
AND SO, SHE BROUGHT OUT A BIG PLASTIC BOWL...

EURGH
EURGH
SPLASH
EURGH
I WAS WONDERING WHAT SHE WAS GOING TO DO AND THEN
TUG
AH!
SPLASH
slither



SLITHER
COUGH COUGH
Hello? Come get it please
How rude
THAT'S NASTY. YOU THREW UP LIVE FISH.
WHA!
splash
splash
You're getting used to it
Ohh, twelve fish
Well, then do you want to try fifteen next?
You'll earn a lot!
I will

Payment's in the usual account
ROE
Fifteen eggs for fifteen fish
Then here are the eggs
I've heard of a model swallowing a tapeworm as a diet
THIS WAS A 'GROWING FISH INSIDE YOUR STOMACH' JOB.
the tapeworm inside your stomach will absorb the nutrients
No matter how much you eat,
You won't get fat.
After you swallow the eggs, you just have to eat a lot.
This fish only grows inside of a human's stomach. It's a very rare, high quality kind
No, tapeworms don't make any money.
YOU'RE LIKE THAT TOO!
I drink it with water



Do you want to start off with just one egg for now?!
No thanks.
Why?!
Because you smell like fish
bip bip
WHAAT?!
Your mouth stinks, hair stinks, body stinks,
and I wondered, "Why?!"
If I don't wear my mask I'll suffocate.
but it was because of the fish in your stomach.
See, look
bip bip bip
When we walk around town,
the stray cats, crows and rats are your stalkers.

These creatures were all
gravitating towards you because of the fish smell inside your stomach
That's why you don't have a guy even though you're beautiful.
That smell...
Ahh. It stinks
You didn't realize...?!
IT WAS QUITE A SHOCK TO HER
So I'm okay with being fat and broke
I don't really care about all that...
Well, of course...
Three plates of fried rice, sweet and sour pork and gyoza
I STILL CAN'T GET A MAN.
AND SO MY FRIEND QUIT THAT JOB THAT VERY NIGHT
